This is the latest suggestion from the FA team on the composition and questions for the FA workshop. If you are in today (I am at home) I would like to chat with you about this. Please let me know.

Hello team et al.

Here is the draft agenda for the workshop, revised as of our team meeting this week. Ravi should be happy. Please look it over and think about the mix of speakers and discussants, logic of the session topics and proposed presentation topics. We will be having our first meeting with the contractor on Wed. at 1 pm.

Thanks, Barbara
